Kirryn Zerna's Tech Set UP

These specifications are a guide only. Kirryn would love to work flexibly with you!

FOR LIVE EVENTS

These specifications are a guide only,

MICROPHONE

·Please provide a lapel microphone.

DATA PROJECTOR / VISUAL DISPLAY

Front of room projection for a 16:9 powerpoint presentation

COMPUTER

Kirryn usually brings her laptop and always carries a HDMI or VGA adaptor. She can bring presentation on USB by request. Kirryn will bring her own clicker, or can use supplied clicker.

REHEARSAL / SOUNDCHECK

Kirryn prefers a soundcheck or rehearsal when possible. To be discussed in brief.

FOR ONLINE EVENTS

These specifications are a guide only,

MEETING SOFTWARE

Kirryn's preference is for use of Zoom, but can be flexible with other preferences like Teams, etc

INPUTS FROM KIRRYN

Kirryn will broadcast from her own studio she will manage her audio and lighting.
It already contains a screen that will display her slides, so she does not need to share screen.

ONLINE ENGAGEMENT

Kirryn loves interaction via the chat during her sessions, and it helps if here is a virtual host to assist with monitoring for questions to ensure your important topics are covered.

REHEARSAL / SOUNDCHECK

Kirryn will make herself available for rehearsals/ soundchecks as required.

Talk to Kirryn for creative ways to promote your event, too.
